Education

Bachelor of science in software engineering 2020 – 2024 | Faisalabad, Pakistan
Government college university Faisalabad

Skills

Fresher ● ● ● ● ●
As an aspiring web developer, I possess a foundational understanding of HTML, CSS, and JavaScript. My problem-solving skills and ability to quickly learn new technologies allow me to adapt and grow in dynamic environments. I am passionate about web development and am eager to bring my enthusiasm and collaborative spirit to a team where I can contribute and further develop my skills.
